

# Pray for the Unreached People of the Day

## Lampung Peminggir of Indonesia

### Lampung Peminggir of Indonesia

One of the key principles of the Lampung Peminggir is that of Pi-il Pesenggiri, which means, "guarding one's dignity above all else." They usually live a simple life, yet they love to receive honor or praise. They typically do not hesitate to spend huge sums on ritual celebrations. The Lampung Peminggir are followers of Sunni Shafi'i Islam.

### Ministry Obstacles

The good news of grace found in the finished work of Jesus Christ is difficult for these people to comprehend and accept.

### Outreach Ideas

Scripture portions, the Jesus film, and Gospel recordings are available in the language of these people. Pray for workers.

### Pray for the followers of Christ

Pray for the believers among this people group, that they will know that it is by grace they have been saved, not of works that they may not boast.

### Pray for the entire people group

Pray for the Gospel to soon be made available to each individual in this community, in their own language, and in a manner they can understand and believe.

### Scripture Focus

"The harvest is plentiful, but the workers are few. Therefore beseech the Lord of the harvest to send out workers into His harvest." Matthew 9:37-38
