

5th Grade Worship Quest Ensemble

Goals:

- To help the children learn to lead in worship in a different way
- To help the children expand their repertoire of music and musical styles
- To provide upfront encouragement to praise & worship
- To be able to provide music for other venues – i.e., Bible Fellowship times, nursing homes, etc.

Practices:

- Wednesdays, from 5:45-6:20 pm
- Will need to also be available for some extra rehearsals around the time they will sing
- **2 unexcused tardies or absences will result in your child being replaced for this Worship Team**

Outfits:

- Khaki below-knee length skirt for girls, khaki dress pants for boys. Brown dress shoes for both. Girls nude pantyhose.
- “WQ” t-shirts

Things to consider:

- Your child must be able to learn the songs outside of practices
- Your child must be able to commit to practices and programs through Christmas. We will evaluate before then whether this group will continue through the spring and/or whether we will audition a new group.
- **Probably, some children will be a part of this ensemble & some won't! We are looking for a small number of children.**
- It's not all about your child and his/her part – it's all about the Lord!!
- His/her participation WILL NOT effect any parts cast in the future
- There will be other opportunities in the future!
- Your child needs to exemplify the characteristics of the Lord in ALL Children's Music activities – **any discipline, attitude, etc. situations will be addressed and COULD result in your child being replaced for this Worship Team**

Auditions:

- Wednesday, September 2 at 5:30 pm in Room A213.
- Be prepared to sing “Amazing Grace”. The audition will consist of singing that song in front of peers and auditioners as well as some pitch matching, vocal range, etc. kind of exercises.

All the earth will worship You and sing praise to You. They will sing praise to Your name.
Psalm 66:4

I have read the above and do fully support and commit my child's and my participation and give him/her permission to audition.
