JOY Luncheon October 13th
Special Guest Singer Brian Arner
Honoring Pastor Ken Whitten’s 33 years

When he knelt at the altar as a boy and gave his heart to the Lord, Brian had no idea that God had gifted him with an incredible ability to sing. Although he was exposed to music as he grew up in the church, it was not until he was twenty-three years of age that his voice was revealed. Since that time, Brian has been singing from his heart the praises of Jesus Christ.

A great deal has happened since that time. Brian has emerged as one of the finest voices in inspirational Christian music. His dramatic solo interpretations thrill, inspire and move his listeners. Whether Brian is ministering in his hometown church, or sharing in the national ministries of Youth for Christ, Fellowship of Christian Athletes, In Touch Ministries, Love Worth Finding, Turning Point Ministries or others, Brian’s vocal quality is matched only by the depth and sincerity of his spirit. His genuine love for God, his family and those around him is evident in all that he does.

Since beginning his full-time ministry twenty-nine years ago, Brian has completed eight solo recordings including arrangements produced and orchestrated by seven-time Grammy nominee Mr. Lari Goss. These recordings minister to the hearts and souls of all who hear them and have been played across the country on numerous radio stations.

Although Brian is a skilled musician, he is first and foremost a music minister. He lives what he sings, and all that he sings is soul stirring and spiritually stirring.
In September 2018, Brian added his oldest son, Chauncey and his daughter-in-law, Maisen to his ministry. Chauncey graduated from Trevecca Nazarene University in 2015 with a degree in Guitar Performance. He met his wife Maisen at Trevecca in 2012 and they married in October 2016. Maisen graduated from Trevecca in 2016 with a degree in Vocal Performance. They both travelled for PR groups throughout their time at Trevecca and have been leading worship together for over seven years. They reside close to Nashville, TN and when they are not traveling with Brian, they are both active in the music scene in Nashville through multiple outlets in varying genres. Their utmost desire is to glorify God in ALL types of music, using the gifts that have been bestowed upon them.

These three combine to become Brian Arner Family Music. They come together with the breadth of many styles and genres, displaying a spectrum of worship that is sure to touch each person in the congregation.
